

## Student Recognition Award

# FAQ

### **What is the Outstanding Student Recognition Award?**

As part of our mentoring program, we want to praise outstanding Au.D. students with special recognition for their overall exceptional and dedication within their doctoral program. Simultaneously, the Board hopes to cultivate their enthusiasm by encouraging active participation in future FLAA activities. The recipient that is chosen will receive a complimentary registration to the annual convention including all of the courses and social activities; a special award will be presented by Board Executives at the business luncheon. Additionally, the student is invited to attend the Academy Board meeting on Wednesday before the convention to observe the dynamic interactions and processes of executive activities.

### **Can Students attend the Annual FLAA Convention?**

YES! The students nominated for this award are highly encouraged to attend the annual convention and will be honored at the FLAA business luncheon.

### **Does the Florida Academy of Audiology pay for the Hotel room?**

NO! We do not cover the cost of the hotel room but the student can register at the reduced FLAA rate for the hotel. This information is available on the website.

### **What is the procedure for registering for the convention?**

To get started, the Student must first complete a membership application, as a FREE Student Member. The application can be found online at [www.floridaaudiology.org](http://www.floridaaudiology.org). Once the application is submitted, a membership username and password will be issued via e-mail. This username and password will be needed to complete the online convention registration form.

After the membership application is completed, the Student should complete the online Student Convention registration form, which can be found at [www.floridaaudiology.org](http://www.floridaaudiology.org).

We do not have a specific place on the student registration to specify that you are the recipient of the Student Recognition Award, however, we are aware of your name and will be looking for you registration. You are not required to volunteer to attend the convention at no charge. We will know that you have received this award.

### **I cannot attend all of the events, what are my options?**

Attend the full convention FREE and the FLAA board meeting. Just fill out the form and send an email to your contact person at FLAA and we will know that you are attending all events.

#### **Option 2**
